Case No.: 2:12-cv-00978-APG-PAL

**STIPULATION AND REQUEST FOR  
 ORDER EXTENDING TIME TO FILE  
 JOINT PRE-TRIAL ORDER**

**ORDER**

The parties in this case STIPULATE AND REQUEST that the deadline to file a Joint Pre-Trial Order, currently due on January 8, 2016, be extended 60 days to allow the parties to pursue mediation.

Specifically, on November 25, 2015 this Court ordered the parties to file a proposed Joint Pre-Trial Order (ECF 212). While the parties have been working on their respective drafts, the parties recently agreed to attempt to resolve the case through mediation. While the parties have narrowed the list of prospective mediators, they have not yet agreed on the mediator. However, counsel have been seeking the availability from the mediators on their respective lists to assist in the process of elimination. While the parties are planning to schedule something immediately, it is likely the case will not be mediated for at least six weeks.

The parties request the additional time as the time required to finalize, combine, and file the Joint Pre Trial Order will be costly to the clients and therefore counterproductive to the parties' resolution attempts.

For all these reasons, the parties respectfully request the Court continue the deadline for filing the Joint Pre-Trial Order for 60 days until **March 9, 2016**.

Dated this 4th day of January, 2016.
